Fitz

He possesses the highest qualities of loyalty, dedication, and perserverance. Honest and forthright, his guidance has gained the respect of the entire student body. To Mr. William Fitzgerald, ever available, our friend and counselor, we dedicate this yearbook.

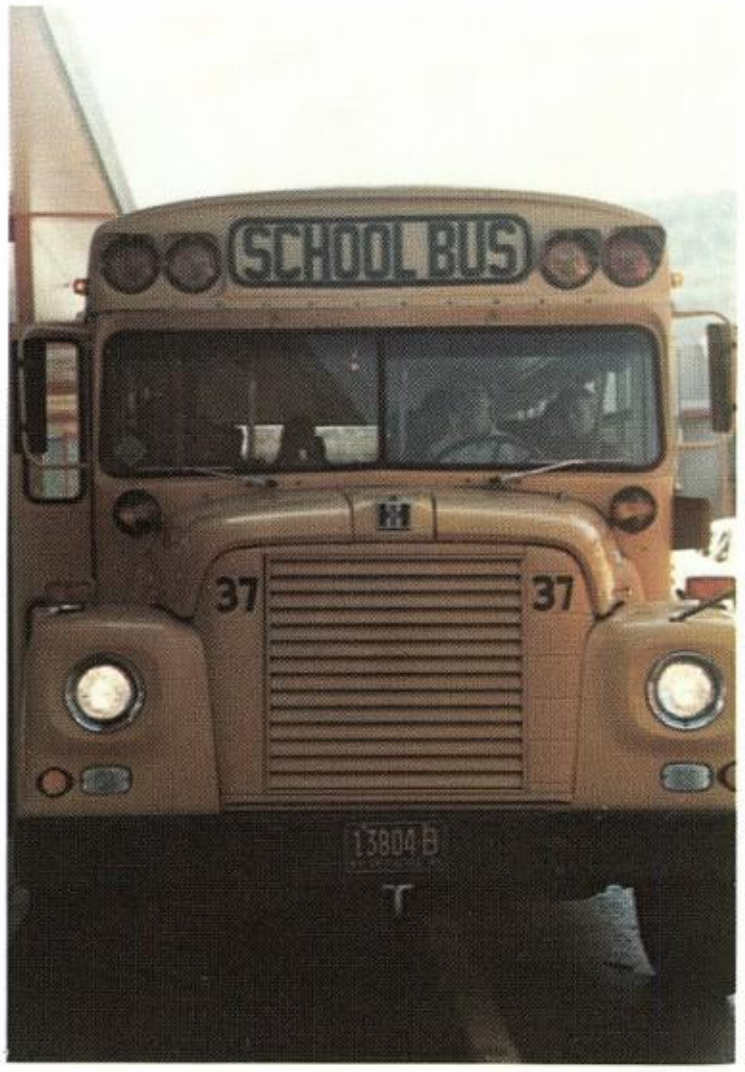
September

The opening of school after a seemingly short summer brought back many familiar faces, along with bewildered expressions beloning to incoming sophomores.

A rousing pep assembly launched the fall sports season. Enthusiasm radiated from the faces of the students attending the gathering, which showed the spirit that our school has toward its football, soccer, golf, and cross-country teams.

Clubs met to plan out activities. A.F.S. welcomed home Karen Spinelli from her summer stay in Brazil and greeted our foreign exchange student from Uganda, Grace Ikiring. The first issue of the "Vindex", under the guidance of Mr. Treubig, was a great success.

After a few weeks of experiencing new classes, new teachers, and adjusting to minor problems, everyone eagerly plunged into the upcoming school year.

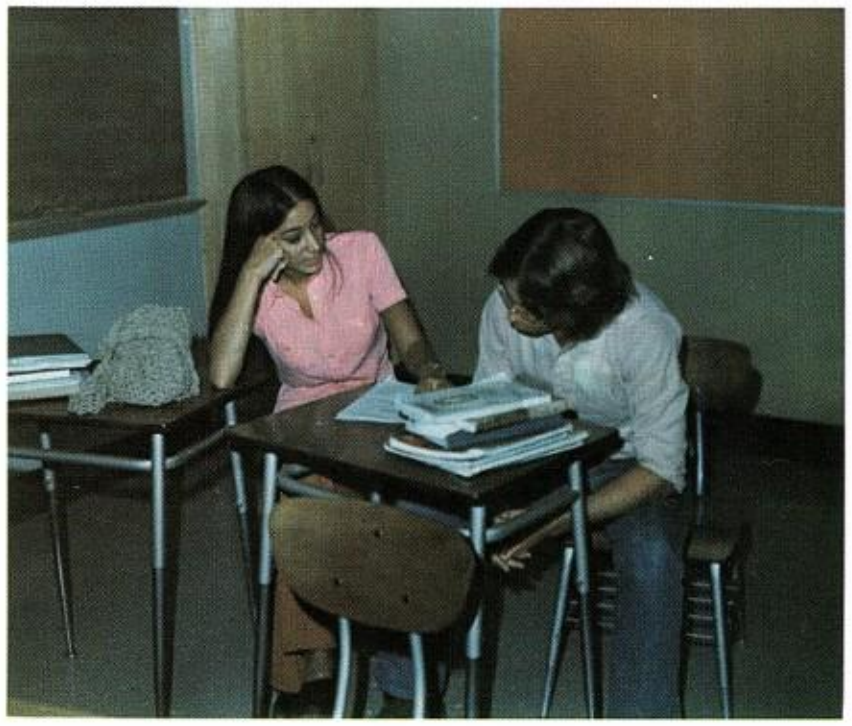


October

Rustic leaves and soft breezes distinguished this autumnal month. Complimenting these occurances was much glory won by our students.

The golf team presented our school with another victory as they captured the Horseheads Invitational golf tournament.

National acclaim was given to David Carr and Jim Greene by the publishers of "Letterman Magazine".

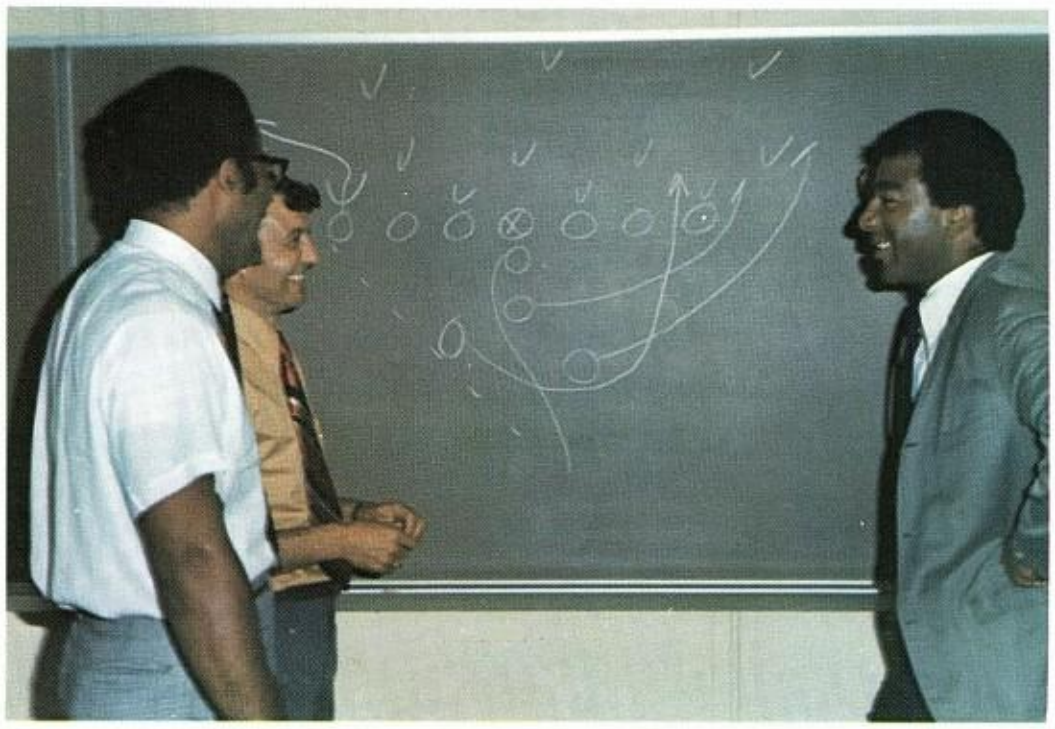


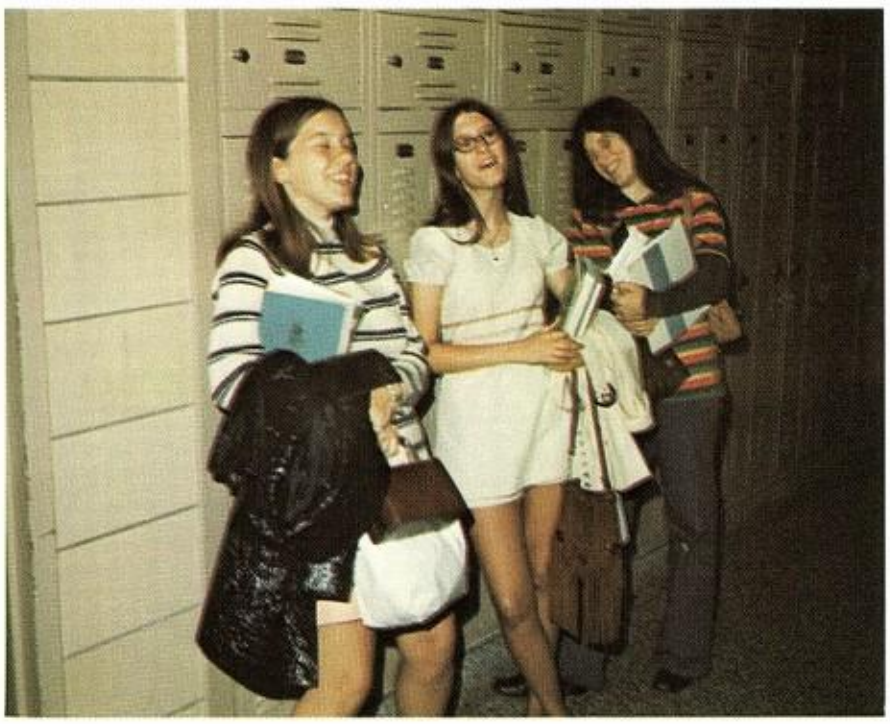
November

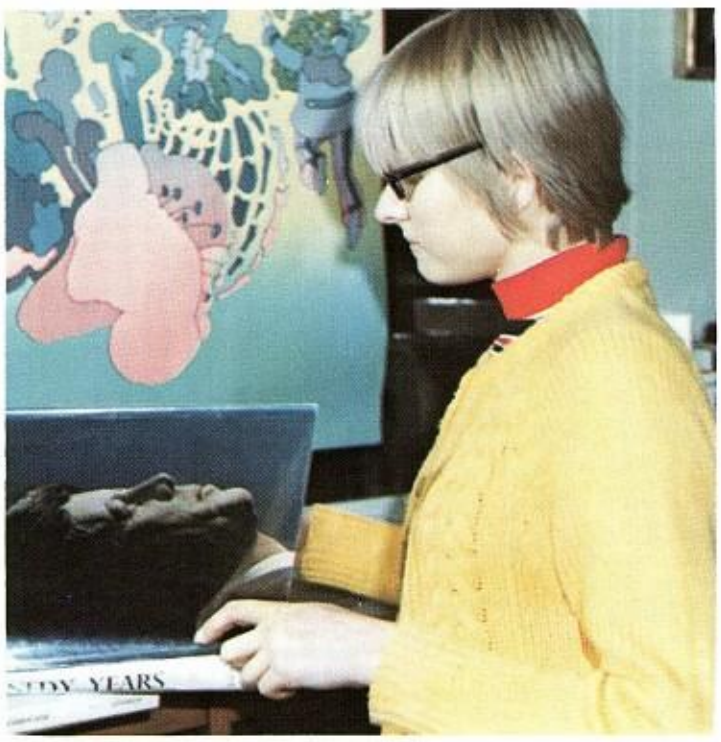
Crisp and invigorating, November brought our football season to an end. Team and student spirit rode high as the band and Academy Atoms prepared for the Southside-E.F.A. football game. Twenty five years of rivalry and a 12-12 tie would be culminated in this game.

Masquers produced "The Wizard of Oz" and "Winnie the Pooh", both of which were great successes.

Seniors faced a multitude of college applications — all to be filled out and filed by the year's end. College entrance was now prime in their minds.







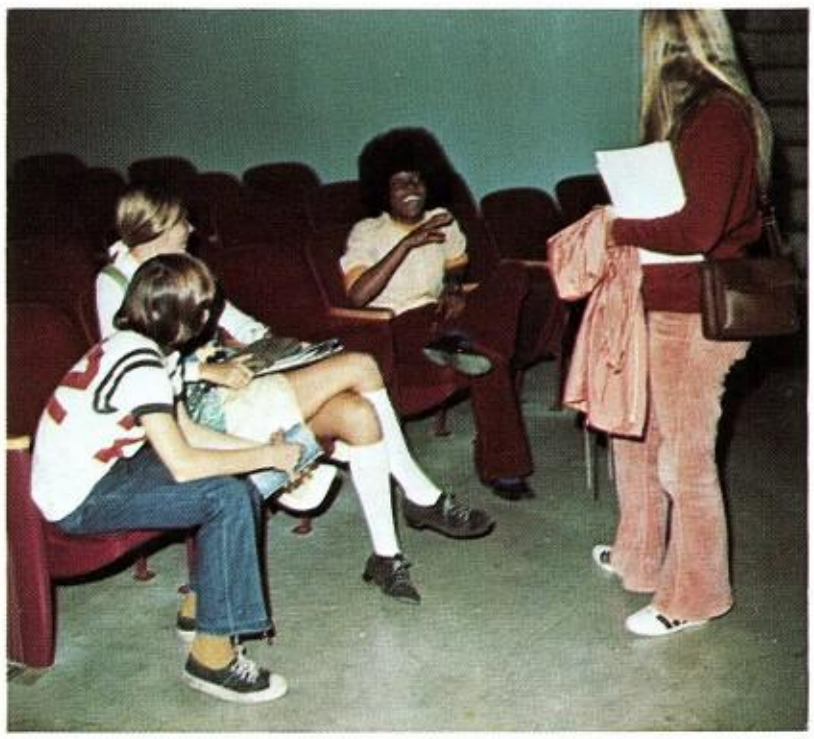
December

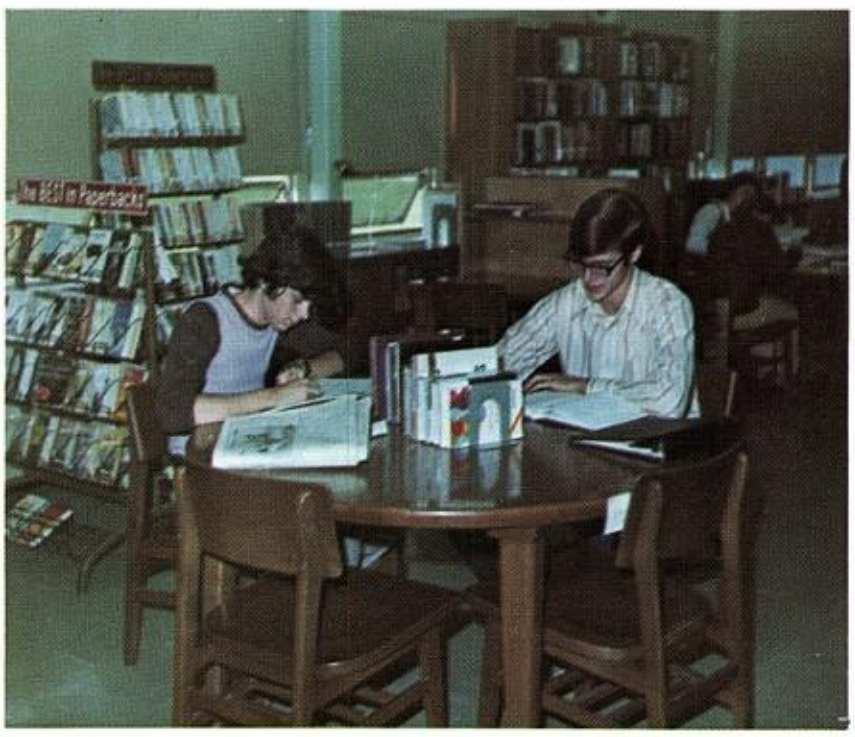
Blustery winds and drifting snow left no doubt in our minds that December was here.

Members of the Ski Club ventured to the slopes at every available opportunity. The weather cooperated with a beautiful snowfall — the beginning of a perfect season.

Team enthusiasm knew no bounds as basketball, wrestling, gymnastics, and swimming began their competition.

The holiday spirit prevailed in everyone, as we anticipated a few days of rest and good cheer.



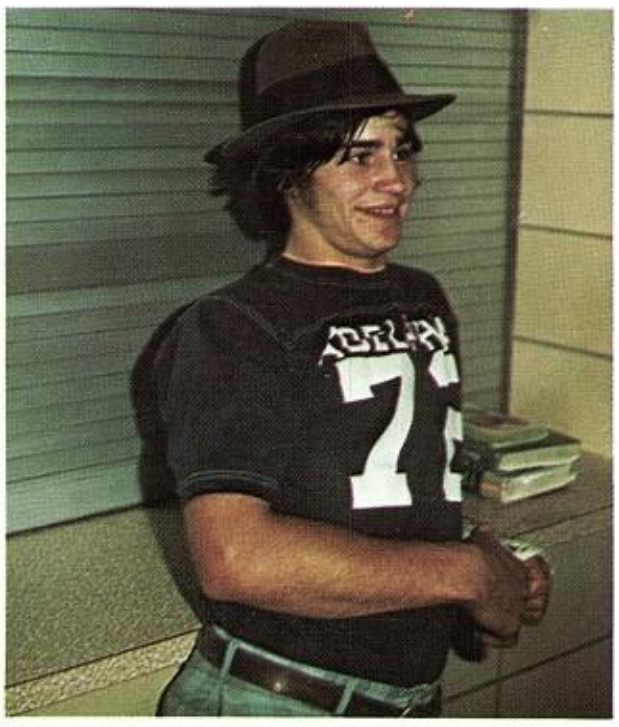


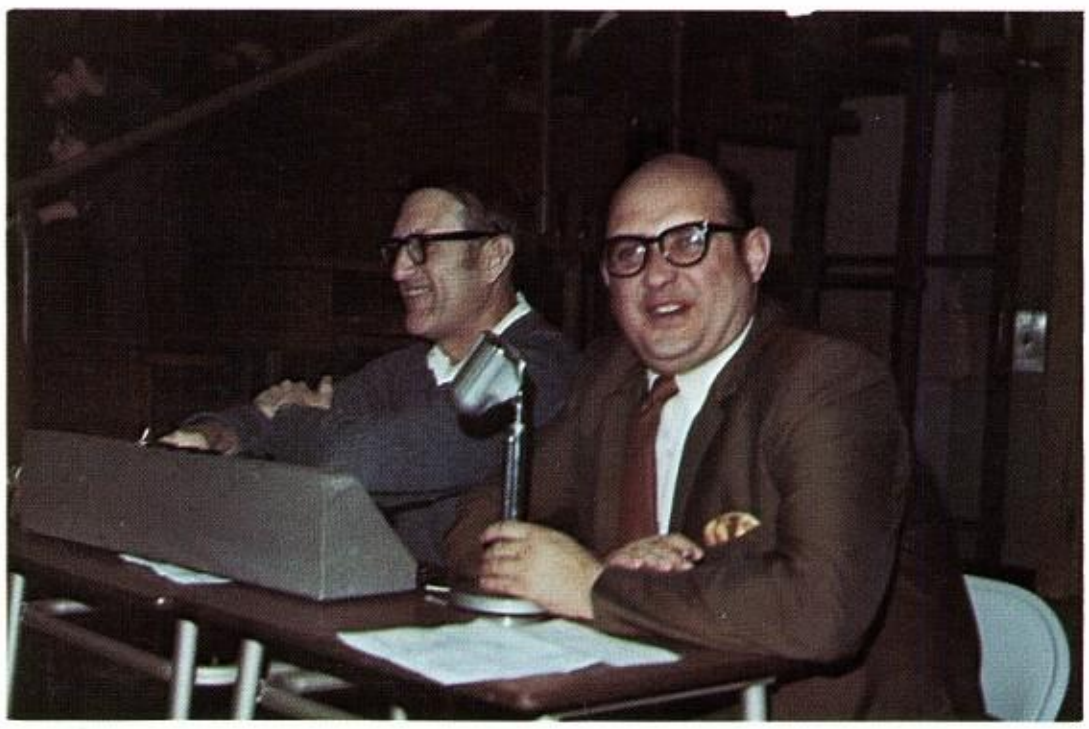
January

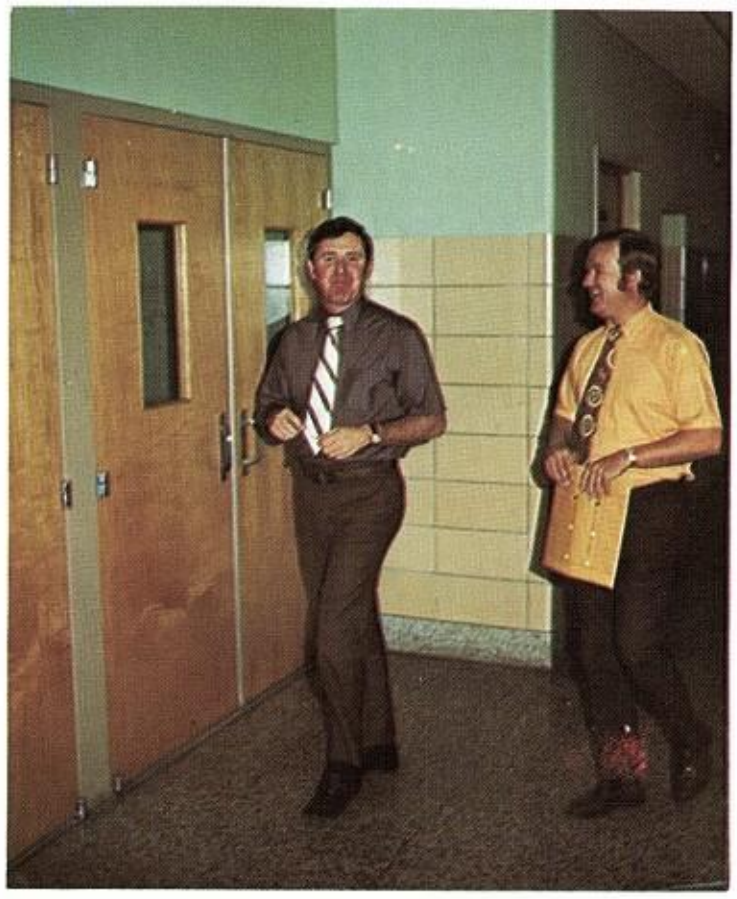
January doldrums of returning to classes and facing mid-terms were offset by the beautiful, crisp, and cold days of winter.

Winter sports still heeded our interest. Basketball, wrestling, swimming and gymnastic meets gave E.F.A. more victories and a few defeats.

We finished the month and mid-terms in good spirits and started a new term with thoughts of spring around the corner.





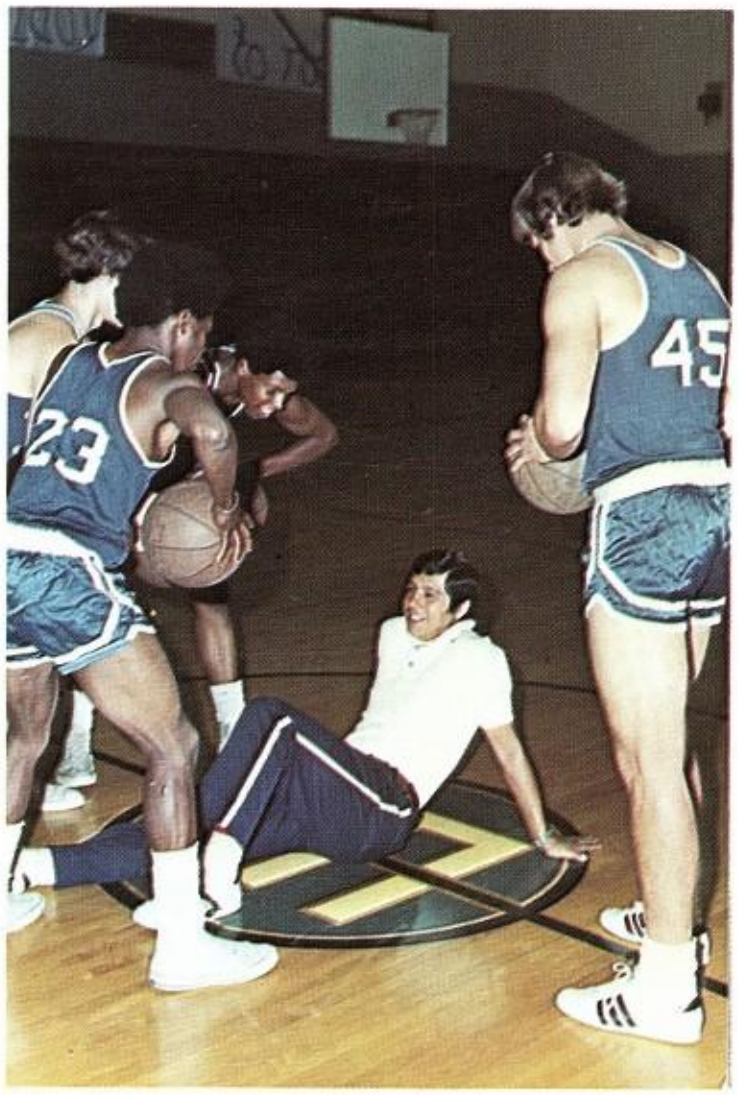


February

After the pressure of mid-term examinations, returning to a normal schedule of classes relieved many students. Winter was still in strong form as skiers hit the slopes and took advantage of the glorious conditions.

Weekly basketball games and wrestling matches involved not only the desire of the teams as they led us to many victories, but also the students' enthusiasm.

Talented bands provided rock music at dances that many students attended.



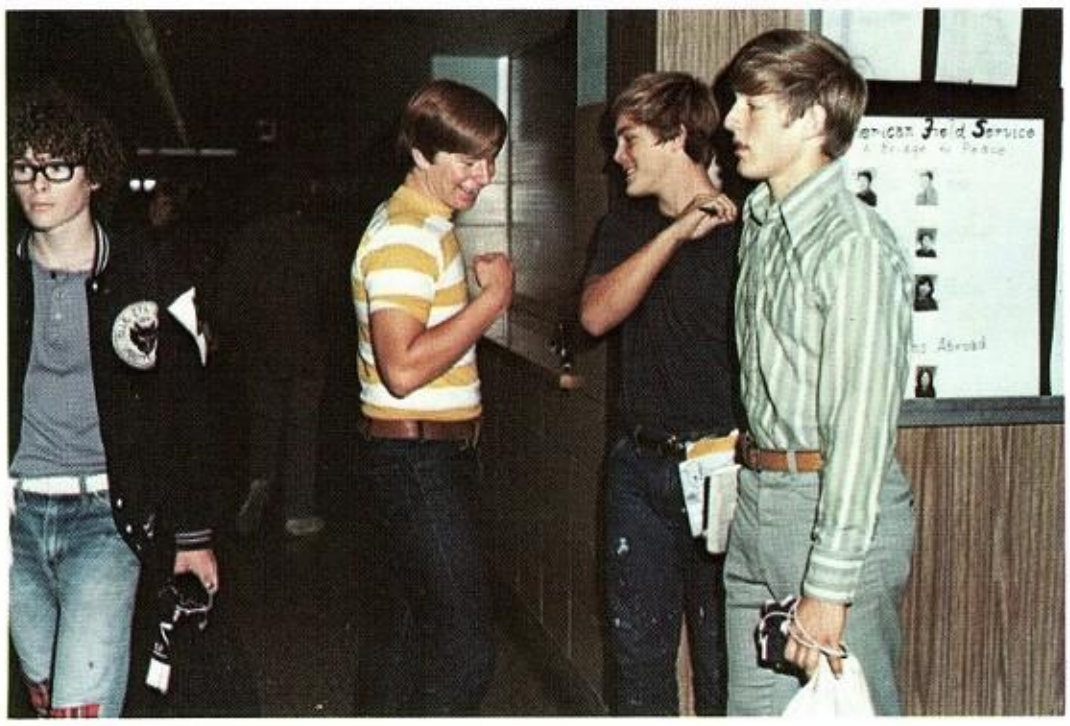
March

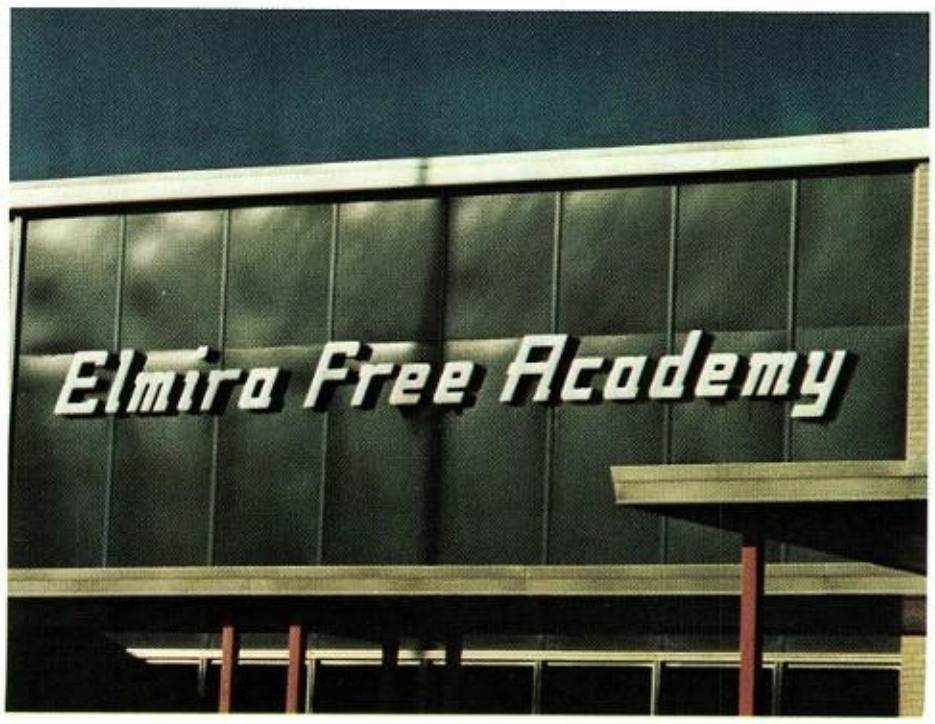
We breezed through March with many activities behind us.

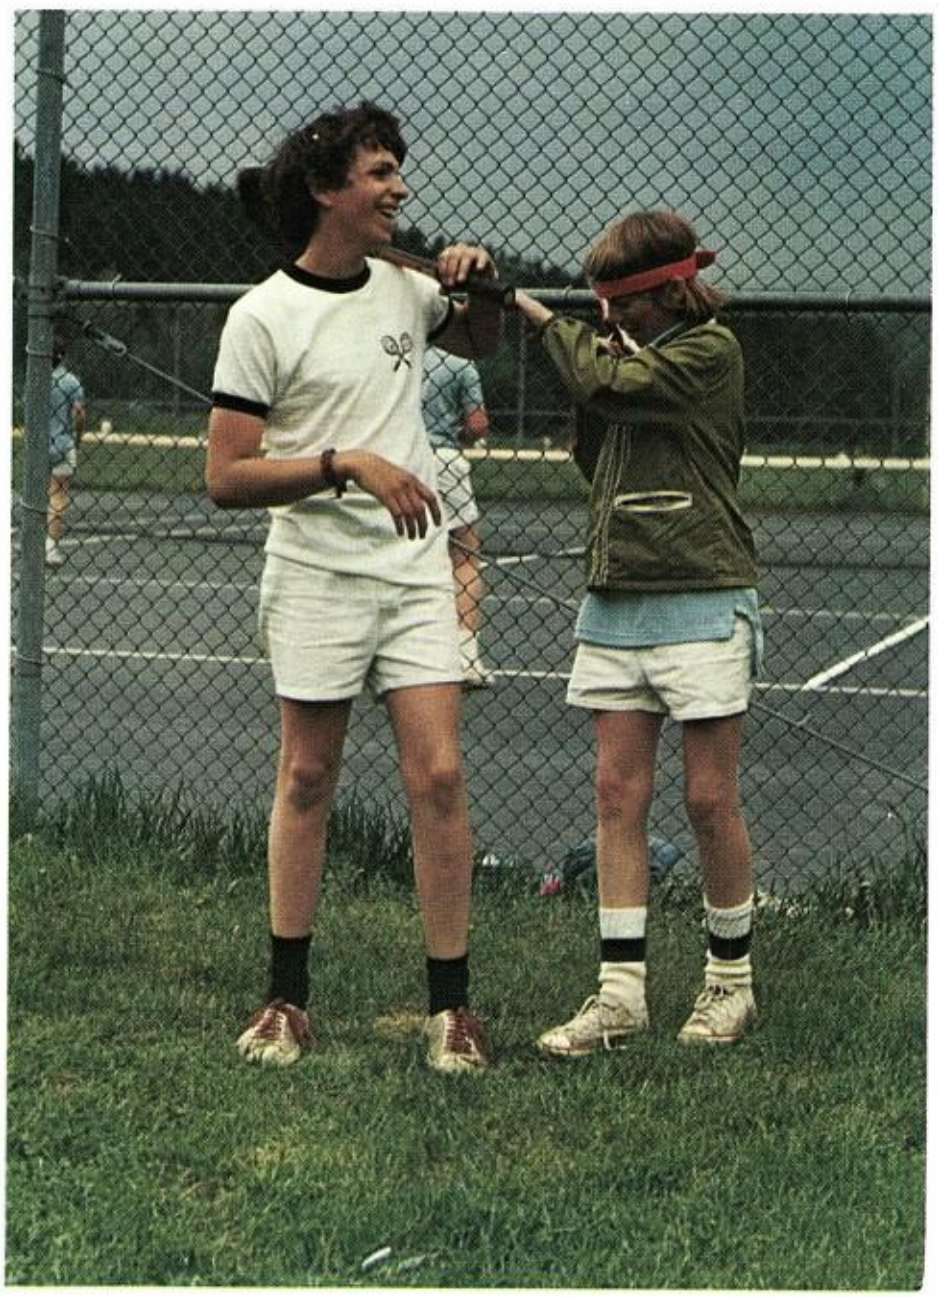
Competition was keen as students vied for positions on the track, tennis, and baseball teams.

We hosted proud students, parents, and faculty at an assembly as the National Honor Society inducted members of the Junior and Senior classes who had achieved scholastic merit.

Spring fever really became evident as southern winds and warm sunshine beckoned students and faculty to outdoor studies.





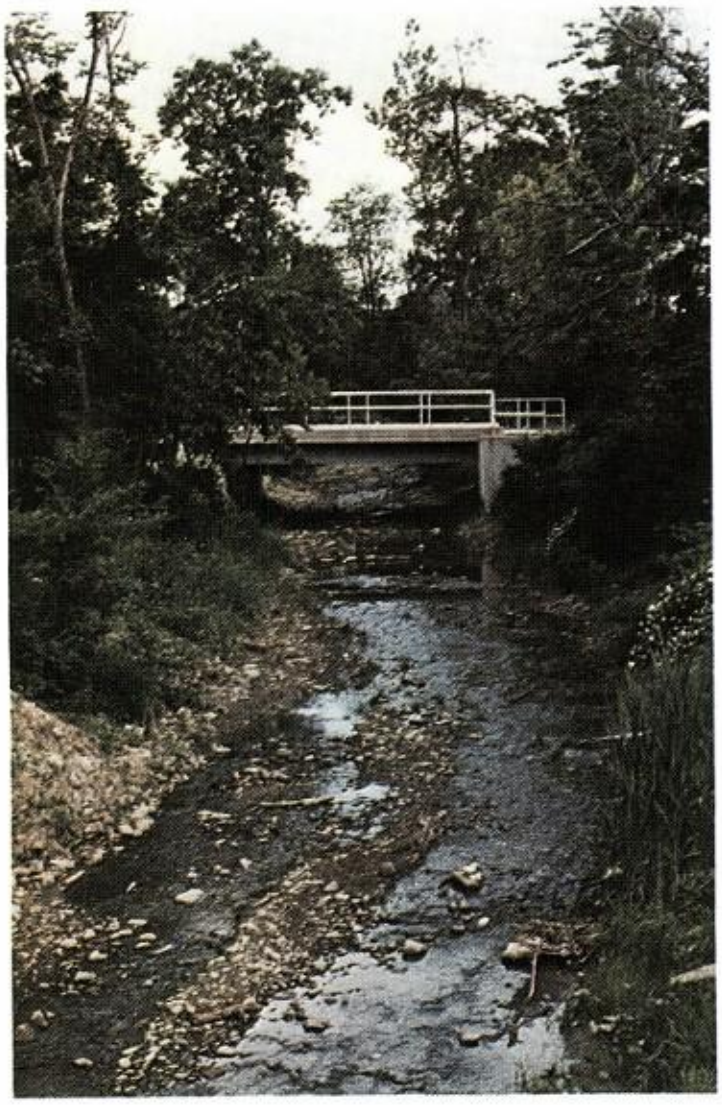


April

Greeted by fresh Spring, April saw many activities in progress.

Our gym was transformed into a Hawaiian Island for the Aloha Dance. The culmination of the dance was the crowning of the Aloha Queen.

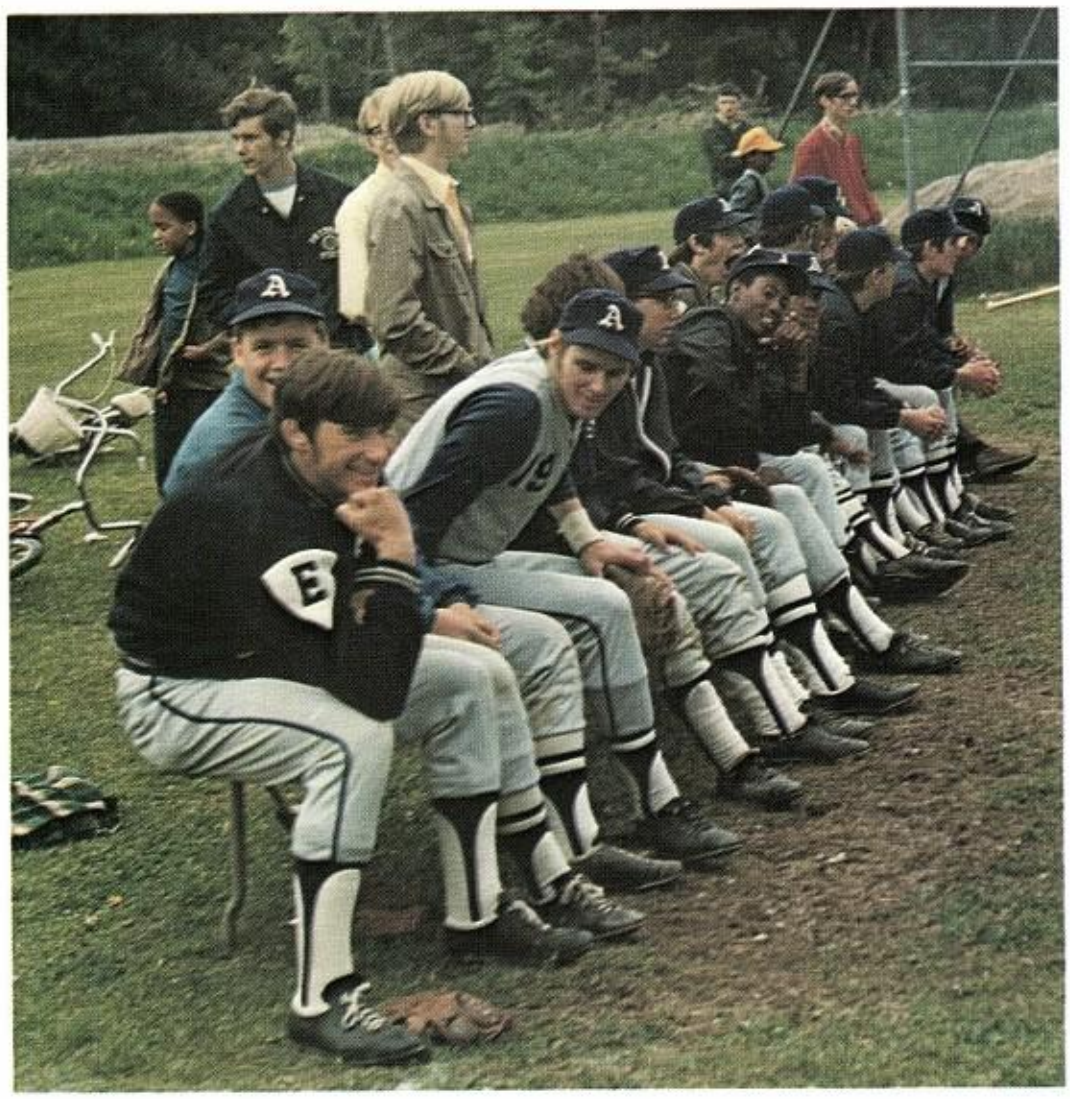
Spring sportsmen treated us to many victories.

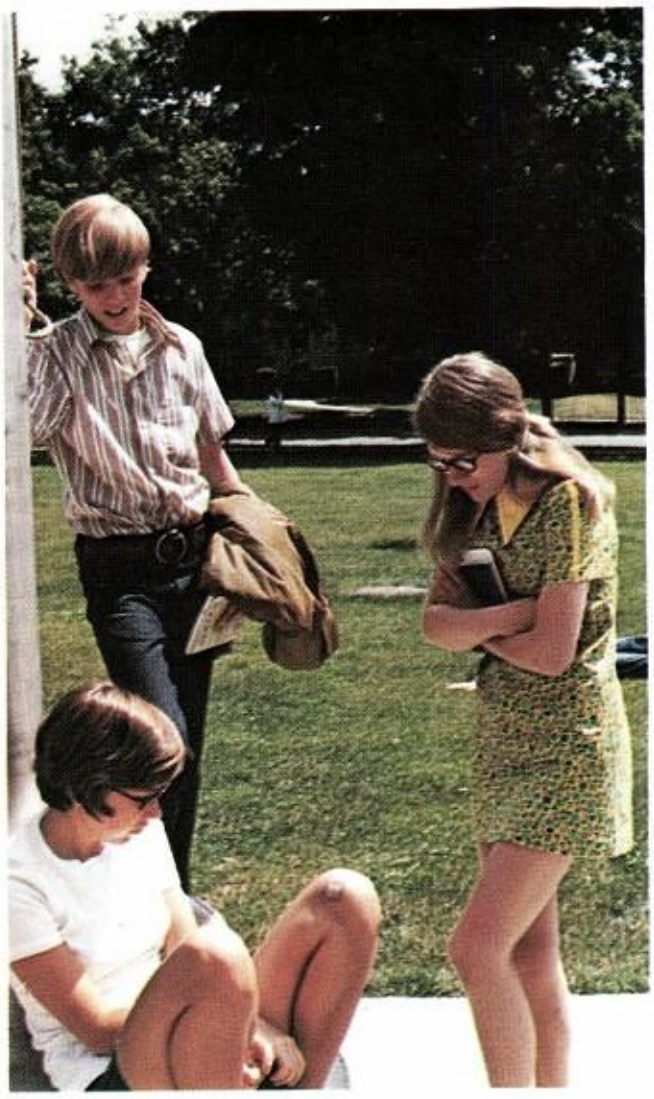


May

The carefree days of this month tended to lighten the responsibilities of our students.

Termination of school sports and activities only led to thoughts of final examinations, just one month away. Good weather made it possible to study outdoors, and, if not awarded with an honor mark, at least one was able to get a deep tan.





June

Finals, commencement, and the end of school awaited us as May rolled into June. More than fifty seniors graduated with high honors. Many seniors anticipated college while others prepared to enter vocational fields.

Underclassmen were relieved as school came to an end, thinking of the coming summer and expectations of the future school year, full of new experiences. Departing seniors looked forward to a new way of life, and reflected back upon their days in high school.

Track and Field

Nothing less than the title "Champs" fits our Track and Field Team. They won the STC League Championships and the Section Four Relays. When entered in the Elmira Night Relays they placed second. The famed 880 team also became sectional winners. Darryl Clark went to the sectionals for the triple jump and placed first. In the long jump he placed second. Glenn Murray made a fine showing at the state meet when he registered fifth in the low hurdles.

This year's football team came up with a brand new name and a new style. The Big Blue Machine fought fiercely trying to perfect itself. On the scoreboards we had a losing season but in the mind of each player he knows that a few points don't always tell the whole story.

There is no need to explain the excitement of this years football season. The twenty-fifth Silver Anniversary Southside-Academy game commemorated all those who participated in Elmira high school football since 1946. All time greats were gathered into an All-Star twenty-five year team which honored us with their presence during a pre-game presentation. Emphasis was put on this game since the standing record was tied at 12-12. As we watched our Academy players strive to win, there was no doubt in our minds that it was great men who made our team what it is, and nothing was as clear to us that night.

Basketball

One wonders how to apply words like effort, school pride, and spirit to a team who has been faced with failure. One would in much the same way, that he does to a team who is in first place. The only difference is that a team that has seen the other side of success can truly appreciate the meaning of these words.

When a member of the team puts out just a little more it does not go unnoticed. When the smiling faces of the crowd return game after game and when a voice shouts over the saddened silence, "We're Proud", it must all be worthwhile.

Wrestling

Despite the end of a 60 match winning streak our team again had a fine season and captured the STC. We overcame several injuries of key men through hard work and strong determination.

Emerson Baugher, Mike Phillips, Dave Carr, and Casey Barnes were the winners of the Christmas tournament. Along with these outstanding wrestlers, Joe Frisk, Russ Loomis, and Randy McLane showed much endeavor.

It's All in the State of Mind

If you think you are beaten, you are;
If you think you dare not, you don't.
If you like to win, and don't think you can,
It's almost a cinch you won't.

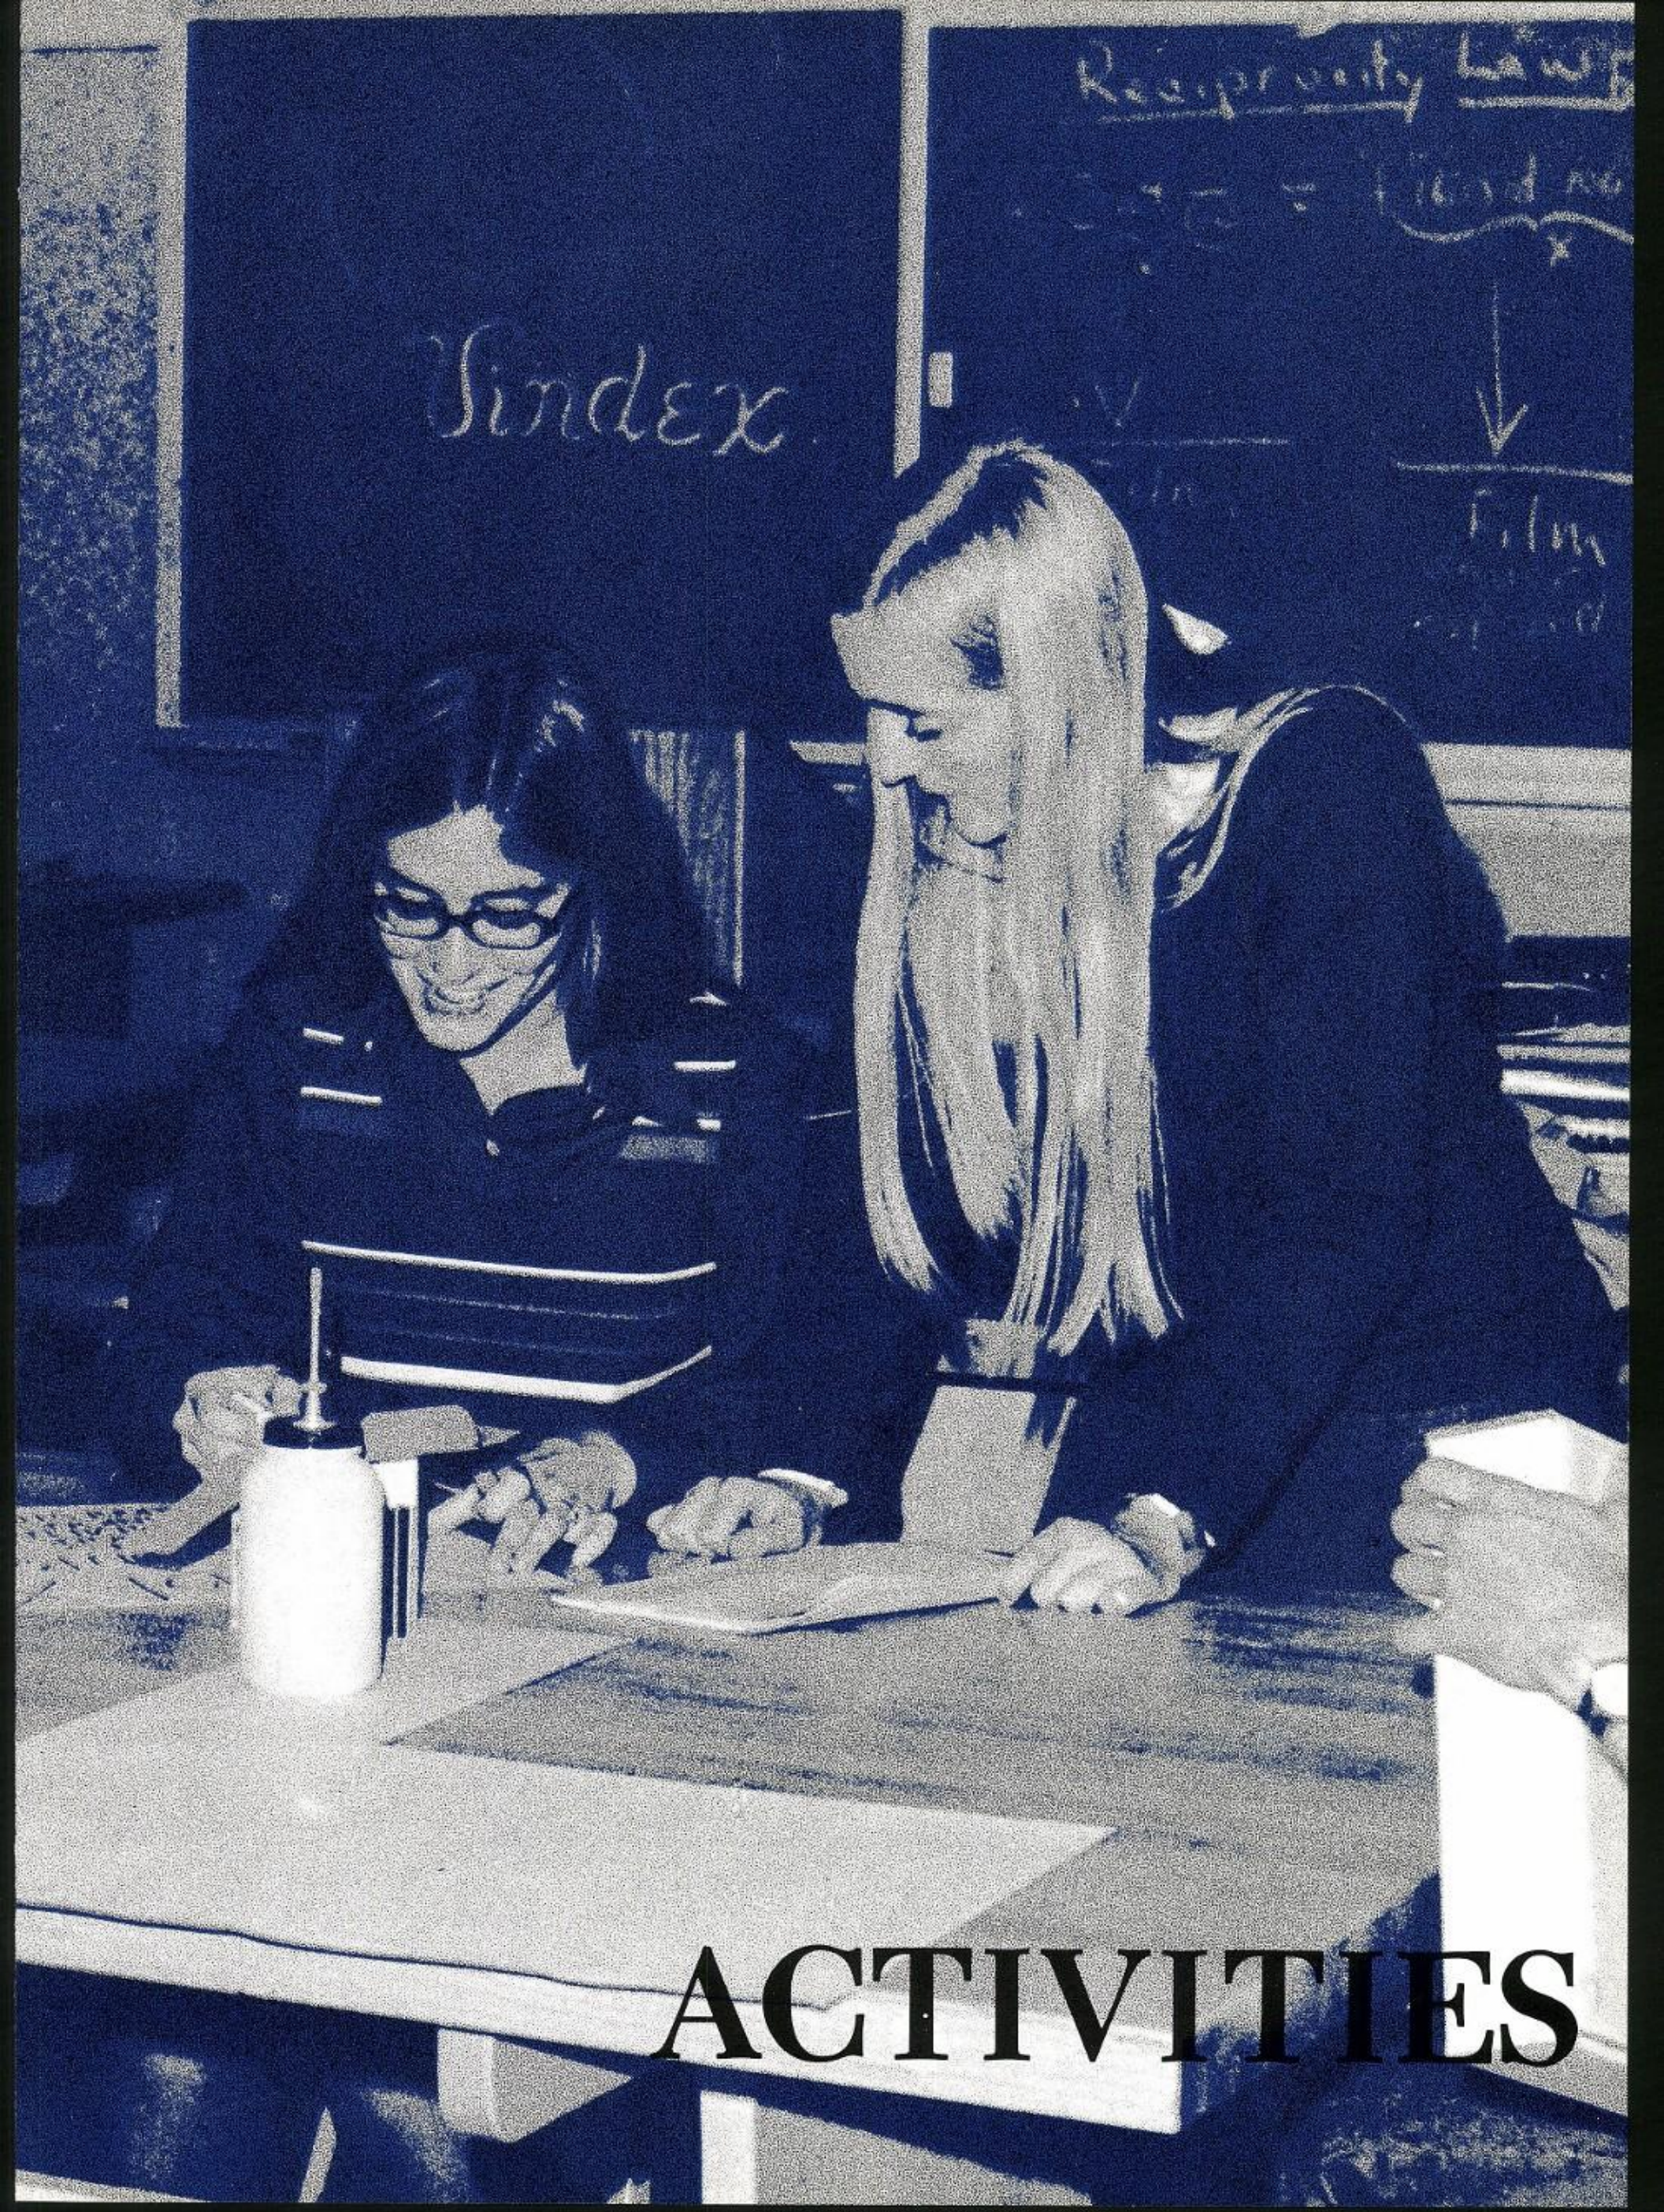
If you think you'll lose, you're lost;
For out in the world we find,
Success begins with a fellow's will;
It's all in the state of mind.

For many a race is lost
Ere ever a step is run,
And many a coward fails
Ere ever his work is begun.

Think big and your deeds will grow;
Think small and you'll fall behind;
Think that you can and you will,
It's all in the state of mind.

If you think you are outclassed, you are;
You've got to think high to rise,
You've got to be sure of yourself before
You can ever win a prize.

Life's battles don't always go
To the stronger and faster man;
But sooner or later, the man who wins
Is the fellow who thinks he can.



ACTIVITIES

Student Council

Student Council has a bright new look this year. Her name is Molly O'Dea. She is the first girl to receive this office in sixty years.

The council has succeeded in finishing last year's Project of the Year, the situating of more benches around the school grounds, for the students' use.

A band directory was composed to inform schools of what bands are in our area and their prices.

They hope to have a bulletin board outside in front of the school completed by the end of this year.

Key Club

A junior branch of Kiwanis, Key Club strives to be of service to the community. This year when the program "Meals on Wheels" was put into action, members of Key Club helped with the delivering of these dinners. The club participated in the Christmas parade trooping up and down the streets like a bunch of clowns. Once again when they were needed they aided packing Christmas packages for Arctic League.

Key Club has opened many doors with their friendliness and service.

Varsity Club

Varsity Club was quite active this year as they tried to raise money for a Universal Gym. They sold adds for the football programs and later in the year sold cushions. As is the tradition, they ran the concession stand at the school games and dances.

These athletes devoted their time and effort to succeed in not only sports but also money-raising projects.

This year a member of A.F.S., Karen Spinelli, was privileged to spend the summer with a family in Natal, Brazil. Although she was miles away she was still able to use her personality to warm up to the Natal people.

Our foreign exchange student, Grace Ikiring, from Kampala, Uganda stayed with Nancy McCune. She found the rushed style of life in America contrasted to her native land.

As an added attraction, the International Happening, a traveling group of performers put on a show for students, exhibiting native customs and traditions, hosted by A.F.S.

Pupil Assistance in Learning

The object of P.A.L. Club is to work with a child helping him better understand himself, others and the world in which he lives. Each member meets with his pal about once a week. He takes him kite-flying, bowling, swimming, on picnics, to ball games, to plays, shopping; or trips to the airport, Corning Glass Center, or the library. The club planned parties on Halloween, Thanksgiving, and Christmas for their pals.

Masquers

Masquers succeeded in putting on two children's plays, something never before attempted by this group. "Winnie the Pooh", presented on October 31, and "The Wizard of Oz" on November 7 resulted in laughter and happiness radiating from not only young children, but older people too. With money raised, the Masquers have been able to pay for new equipment needed for the auditorium stage.

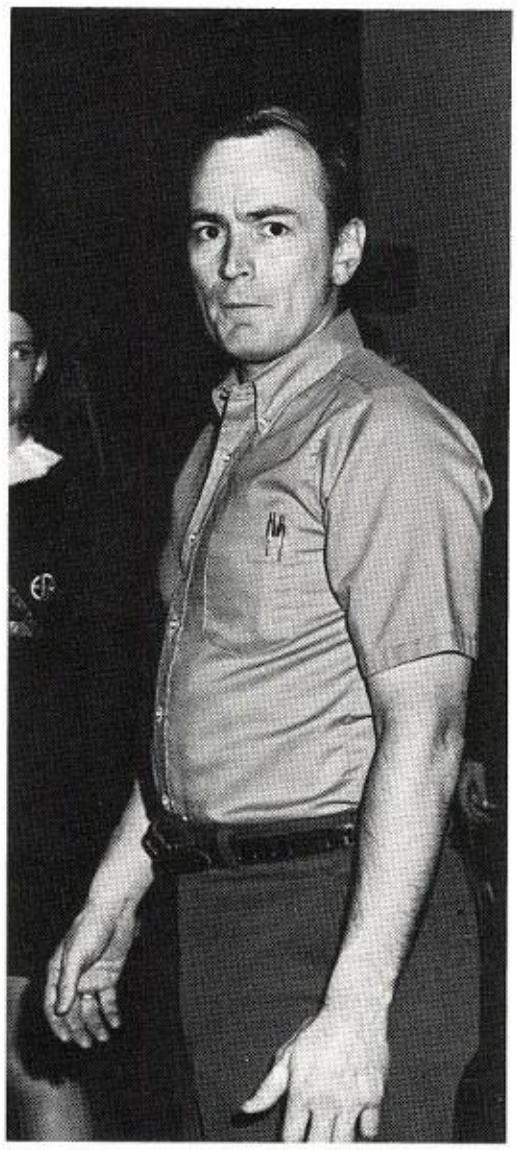
Our photographer, Mr. Lewis Rodabough.

This year's yearbook staff, composed of seven editors, two artists, a typist, and a business manager, worked together many long hours to produce a yearbook that the student body would appreciate. Despite some differences of opinion among the staff and a few setbacks, the work continued so that a yearbook could be printed.

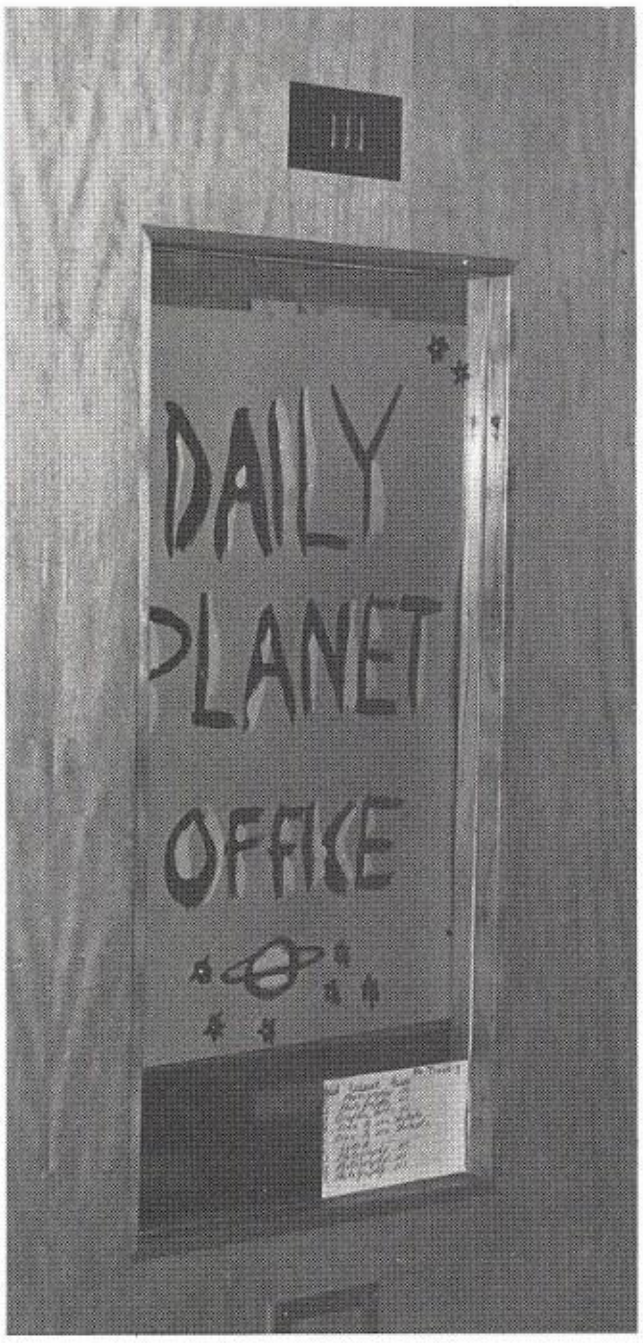
Unfortunately, the sale of books dropped considerably since last year. However, the business staff initiated the sale of T-shirts and solicited many ads, so that enough money was raised to produce this year's Torch.

After a year of industrious work, the staff finally gathered all material to turn out a great yearbook.

Business Staff: Renee Riopelle, Mark Nicolo, Dick Holtzman, David Batlan, Scott Lane, Marty Doyle, Clare Snyder.



Our ever-smiling advisor, Mr. Ross Wilson.



Vindex

This year's Vindex staff made great headway under its new advisor, Mr. Treubig. The paper's first edition came out with more pages than ever and cost only a dime. The staff printed the Vindex in school this year, unlike previous years, when it was sent to local printing agencies.

Academy Atoms

This year the Academy Atoms, along with their great support for Academy's teams, and the pep and vigor that were always present at the games, sponsored a "Battle of the Bands". This featured the area's top bands competing in a musical competition much enjoyed by the spectators.

Imaginative and vivid posters were made by the girls in Atoms to create team and school spirit.

E

Dear to us always,
This school and all its walls,
Thou'lt ever with us stay,
Fair E.F.A.

When we are gone from thee,
Still thou shalt ever be,
Fairest on land and sea
Dear E.F.A.

Our hearts may well grieve,
So soon to part from thee,
But dear old school, believe
We're true always.

True hearts and friends well-met,
Thy charms are with us yet,
Nor can we e'er forget
Fair E.F.A.
